

# SPECIALIST, SAFE & SECURE CUBICLE TRACKS.

Hello and welcome to Bridge Contract Interiors. Having started out in a family-run retail showroom on Bridge Street in Bradford on Avon, Bridge is now the UK's go-to contract fire retardant curtains, blinds and soft furnishings providers. From the outset, we have achieved ISO accreditation in all areas and have built relationships with nationwide care, hospitality, education and many other service providers across the UK. My promise to you is that our team will provide unrivalled service and quality in the contract market.

We are specialists in contract cubicle tracks and curtains. With over 25 years of experience in the curtains and soft furnishings industry, our mission is to provide retail quality products to the contract market. Let our experienced team of experts take the stress away while we manufacture, supply and install your establishment with stunning made-to-measure cubicle tracks and curtains. We pride ourselves on our excellent service. This is why, when you choose us, we will ensure your project gets completed on time and to the highest quality.

## MADE-TO-MEASURE

All of our cubicle tracks are bespoke and made to compliment your environment. Provide us with your requirements or request for one of our experts to come out and survey your site. Nationwide installation is also available.

## ALL PRODUCTS FIRE RETARDANT

Cubicle curtains in non-domestic spaces are required to be fire retardant, don't get caught out. All of our curtains, blinds and soft furnishings comply with UK fire resistant regulations.

## NO LIMITS IN OUR SERVICE

We have an in-house team of experts to assist you. From choosing the right fabrics to complying with UK fire regulations. We are here from start to finish.

Rated excellent on  Trustpilot

# MIDDLESEX UNIVERSITY LONDON

Products provided by Bridge were: 20m Bespoke Printed Curtain on Made to Measure High-Grade Aluminium Cubicle Track.

## PROJECT DESCRIPTION

This huge bespoke printed curtain was one of the biggest curtains we have ever installed, coming in at over 20 meters long. Manufactured and installed by Bridge, this curtain divides the space in a truly standout way. Hung on a made-to-measure, maintenance-free high-grade aluminium cubicle track.

“Needless to say we are extremely satisfied with the results. Blinds, curtains are both attractive and highly adaptable. It’s the perfect solution for our business. The service was excellent. Really good.”

Client – The Corsham School  
Location – Corsham, UK  
Website – www.corsham.wilts.sch.uk

Rated excellent on  Trustpilot

# THE CORSHAM SCHOOL

Products provided by Bridge were: Heavy Duty Made to Measure Curtain Rail with Sound Proofing Acoustic Curtains.

## PROJECT DESCRIPTION

Corsham School required a large acoustic curtain to divide two classrooms. Working with the school we specified and installed a heavy-duty, made-to-measure cubicle track to provide a robust solution. The curtain was finished in a light blue to match the school's brand colours.

“Always excellent and friendly service... Always happy to help and spend time with you! So thank you Bridge Contracts!!”

# BERKSHIRE NHS TRUST

Products provided by Bridge were: CubiScreen ® and CubiTrack ®.

## PROJECT DESCRIPTION

We supplied over 500 CubiScreens® and CubiTracks® to Berkshire NHS trust to reduce the spread of COVID-19.

The CubiScreens® allowed the trust to free up bed space without the need for contractors installing new track systems in their wards.

The CubiTrack® is a dual-track system that can be retrofitted to existing cubicle tracks and is used in conjunction with other track solutions.

“Great products, very well made to exact measurements. Delighted with purchases that look very smart in their environment. Fast delivery, cannot fault.”
